RESPONSIBILITY

The attention of owners and skippers is drawn to ISAF Fundamental rules 1 to 4 . The safety of the craft and her crew is the sole responsibility of the owners or owners representative who must ensure that the craft is fully equipped, thoroughly seaworthy and manned by crew physically fit to face the racing conditions. They must be satisfied as to the soundness of the hull, spars, rigging, sails and all gear. They must ensure that the crew know where the safety equipment is kept and how it is to be used. The establishment of these general conditions does not limit or reduce in any way the complete and unlimited responsibility of the competitors. It is the sole and exclusive responsibility of each competitor, to decide whether or not to start or continue the race. The Race Organisers and the Race Committee accept no responsibility for any loss of life, personal injury or damage to vessels or third parties in whatsoever manner caused by running of the race. Crafts shall have adequate insurance cover against third party liability. The RYA recommends a minimum of £ 2 million.
